

Chasing Cars

Snow Patrol

Introduction

G D C G

We'll do it all, everything, on our own.

G D C G

We don't need anything, or anyone.

G D

If I lay here, if I just lay here

C G

Would you lie with me, and just forget the world.

G D C G

I don't quite know how to say how I feel

G D C G

Those three words, I said too much, but not enough.

G D

If I lay here, if I just lay here

C G

Would you lie with me, and just forget the world.

G D

Forget what we're told, before we get too old

C G

Show me a garden that's bursting into life.

G D C G

Let's waste time, chasing cars, around our heads.

G D C G

I need your grace to remind me, to find my own.

G D

If I lay here, if I just lay here

C G

Would you lie with me, and just forget the world.

G D

Forget what we're told, before we get too old

C G

Show me a garden that's bursting into life.

G D
 All that I am, all that I ever was
 C G
 Is here in your perfect eyes, they're all I can see
 G D
 I don't know where, confused about how as well
 C G
 just know that these things will never change for us at all.

(single strums)

G D
 If I lay here, if I just lay here
 C G
 Would you lie with me, and just forget the world.
