

Run – Snow Patrol (Not Leona Lewis)

Intro : Am G x4

Am G
I'll sing it one last time for you

Am G
You've been the only thing that's right

Am G
And I can barely look at you

Am G
I know we'll make it anywhere

C G
Light up, light up As if you have a choice

F
I'll be right beside you dear

C G
Louder louder And we'll run for our lives

F
Why you can't raise your voice to say

Am G x2

Am G
To think I might not see those eyes

Am G
And as we say our long goodbye

C G
Light up, light up As if you have a choice

F
I'll be right beside you dear

C G
Louder louder And we'll run for our lives

F
Why you can't raise your voice to say

Am G
Then we really have to go

Am G
In all I've done

Am G
But every single time I do

Am G
Away from here

G7 Am
Even if you cannot hear my voice

G7 Am
I can hardly speak I understand

Am G
Makes it so hard not to cry

Am G
I nearly do

G7 Am
Even if you cannot hear my voice

G7 Am
I can hardly speak I understand

C G G7 Am
Slower slower We don't have time for that All I want's to find an easy way

F
To get out of our little heads

C G G7 Am
Hush Hush my dear We're bound to be afraid Even if it's just for a few days

F
Making up for all this mess

Instrumental : C G G7 Am F x2

C G G7 Am
Light up, light up As if you have a choice Even if you cannot hear my voice

F C
I'll be right beside you dear
