      F                                C                  G7

                 G7                  C
Don't carry the world upon your shoulders.
C7                                F                   Dm

You have found her, now go and get her.

   And don't you know that it's just you hey Jude, you'll do
                    G7                  C
The movement you need is on your shoulder,

      C                      G
