

# Stand By Me

*Ben E King*

## Intro:

C C Am Am F G C C

## Verse 1:

                  C                                  Am  
When the night has come and the land is dark  
                  F                                  G                                  C  
And the moon is the only light we'll see  
                  C                                  Am  
No I won't be afraid no I won't be afraid  
                  F                                  G                                  C (single strum)  
Just as long as you stand, stand by me

## Chorus 1:

                                  C                                  Am  
So darling, darling stand by me oh stand by me  
                  F                                  G                                  C  
Oh stand by me, stand by me, stand by me

## Verse 2:

                  C                                  Am  
If the sky that we look upon should tumble and fall  
                  F                                  G                                  C  
Or the mountain should crumble to the sea  
                                  Am  
I won't cry, I won't cry, no I won't shed a tear  
                  F                                  G                                  C  
Just as long as you stand, stand by me

## Chorus 2:

C                                  Am  
So darling, darling stand by me oh stand by me  
                  F                                  G                                  C  
Oh stand by me, stand by me, stand by me  
(Whenever you're in trouble won't you)  
C                                  Am  
Stand by me, oh stand by me  
                  F                                  G                                  C  
Oh stand by me, stand by me, stand by me
