

My Cape Breton Home

Music by Jerry Holland, Lyrics by Lew Alpaugh

Home where the river flows
Home where the clover grows
Home where my dreams keep me longing to be
I've been away too long, so here's a song
For my Cape Breton home by the sea.

Home where the fiddles ring
Making the mountains sing
Home where the music is calling to me
Someday before I die I will return
To my Cape Breton Home by the sea.

I'll rosin the bow and go waltzing away
To the mountains and glens
By the sweet Margaree
I'll play an air for the island so fair
And my Cape Breton Home by the sea.
